

September 2, 2020

Dear Parents/Guardians

USDA has sent out a waiver, that states that we can serve all students FREE until December 31, 2020.

We have started this today.

The only thing that will cost is if the student get extras either at breakfast or at lunch.

The meal itself has to be a FULL Meal and not one item. Example pizza and fries

Extras would be Flavor water, tea 5th -12th grade, fries, sliced pizza or anything down that line.

Some Parents/Guardians do not want their child(ren) to get extras, and some are fine with that. Pleases let me know either way. You can send money with your child(ren) or you can go to myschoolbucks.com and add money there.

You can email at Tracy.Allen@clarksburgschool.net, or text: 731-694-0992, or call: 731-535-6099.

Tracy Allen
